# The big debate

**THE details of the Grosvenor Centre contract between Legal and General and Northampton Borough Council should be made public to allow Northampton people the chance to make their own minds up over the long-running saga, according to MP Brian Binley.**

The Conservative MP for Northampton South is due to go head-to-head with Councillor Richard Church (*Lib Dem, Kingsley*) tonight at the Guildhall in a public debate over the future of the town centre.

And he is keen to see the plans finally made public after more than a decade of delays and stop-start

negotiations. He said: "It is vital, after 11 years of messing about, that we reach a conclusion on this and all the parties involved no longer feel the need to hide behind commercial sensitivity. The deal needs to be opened up to let the public decide for themselves.

"I have deep concerns over whether local government has aided in the decline of our town centre and we need to look at the bigger picture here. We need to study the implications this deal will have on the town centre and the town as a whole."

The debate, which will be held in the Guildhall in front of hundreds of members of the public, will focus on the regeneration of Northampton town centre, proposed out-of-

town developments and the retail impact on the local economy.

Councillor Church said: "I want to get a public understanding of opportunities we have to regenerate our town centre and the threats that may lie ahead if we don't get it right.

"You can't have a successful town without a successful heart and we need to give our town centre the priority it deserves. Look at Nottingham or Peterborough and the success they have made of their centres, that's the kind of thing we should be looking at."

If you cannot make it to the meeting, the *Mercury's* sister newspaper, the *Chron*, will be covering the event live on our website at [www.northamptonchron.co.uk](http://www.northamptonchron.co.uk)

# Magician set to show off tricks of trade

WORLD famous magician Paul Daniels is coming to Northamptonshire to play at a village community centre with a maximum capacity of 200 people.

The 71-year-old will be performing a two-hour show in Long Buckby on Saturday night as part of a long-running tour of small regional venues, which will also see him visit Pattishall Parish Hall, near Towcester, at the end of April.

The 1983 Magician of the Year said that, despite the smaller size of the venues, he enjoyed the greater opportunity for audience interaction.

He said: "I find the village shows more fun as if you make a joke about someone in the audience then everybody knows him. There is a much more fun and party atmosphere."

"I've heard that a lot of people in Long Buckby don't think it is me, they think it is someone who is going to turn up and pretend to be me. It is only when they see it in the local media that they realise it is actually me."

"It will be a very funny,

good night which will be pretty much unlike anything you have seen before."

The magician, who has been married to his long-time assistant Debbie McGee since 1988, said much of the show was improvised during a question and answer session.

He said: "People who come to my show are always surprised at how funny it is."

"Every arena requires a different performance. I have worked in large comedy clubs and theatres and in tiny street theatres in Germany, and each demands a different set."

Despite being in the entertainment industry for more than 40 years, the star said he had no plans to hang up his magic wand in the near future.

"I came into performing magic after working in local government and liked the variety it offered me."

"I like keeping busy. My mother keeps saying to me that I need to ease up a bit but she is 94 and still does her housework."

The show starts at 7.30pm this Saturday. Tickets, priced £10 and £20, are available from Buckby Newsagents.

# £1m raised for temple

**A COMMUNITY in Northampton has raised £1m to show its commitment to building a new place of worship and community centre in the town.**

The Sikh community, co-ordinated by the Lotus Foundation, has collected the money over the past two years to pay for the purchase and development of the site of a new gurdwara and community facility, complete with offices, faith museum, classrooms and sports facilities.

When completed, members hope the new facility will be used by faith groups and other organisations from the town, as well as by the Sikh community itself.

Northampton Sikhs cur-

rently occupy a gurdwara in St George's Street and run a tiny community centre in the same road.

But with the Sikh community in the town growing all the time, pressure is increasing on the limited space available in the two buildings.

The current facilities are unable to host weddings and parking is difficult, especially for funerals.

Due to the lack of space it is also a struggle to accommodate all those wanting to take part in community activities.

Harjinder Singh Kooner, chairman of the Sikh community centre and youth club, hailed reaching the £1m mark "a huge achievement".

He said: "The project to relocate away from our existing

buildings has been under way for some two years now and through hard work and the generosity of members of our community we are now in the position to proceed with securing a new site.

"This is a very exciting time for us, as it should be for Northampton, as the new site will allow us to not only improve the existing services but to offer many more services, not just in Northampton but countywide."

Mr Kooner said a suitable site had been identified in the town and that the next step would be to submit a planning proposal.

He said the community was still looking for around £300,000 funding to complete the project, but that he hoped the details of the project would be finalised by the end of April.

# Tours at play area

TOURS of a new £85,000 adventure play area at The Racecourse in Northampton will be available this afternoon.

Volunteers from the Friends of Northampton Racecourse (FoNR) and representatives from Miracle Play & Design will be available at 4pm to explain the history of the project and the intention behind it.

Seeds and turf will be laid during the next few weeks and then left to mature in preparation for the official grand opening of the play space on Friday, May 14.

Steve Summers, a member of FoNR said: "It may have taken us five years of concerted voluntary effort to get to this point, but it'll have been worth every moment to see local children and young people having fun, healthy exercise and mixing together in the new play space."

Details about further improvements to play spaces on The Racecourse will be unveiled at the next Friends of Northampton Racecourse public meeting at 7.30pm on Thursday, April 29 at Leicester Street Community Rooms. Everyone is welcome to attend.

# Plan to give out needles

**PLANS to provide clean needles to criminals when they are released from custody could shortly be rolled out across Northamptonshire, police have said.**

Under the pioneering Needle Exchange Programme, which is to be launched as a pilot in Corby and Wellingborough police stations, drug addicts would be offered the chance to swap used needles for clean ones after they have been arrested.

Currently when addicts come into custody any drugs paraphernalia is confiscated.

While that will still be the case, under the new scheme specialist drugs workers would now offer to swap dirty needles for clean ones.

Police said the programme, which will be run in partnership with the Northamptonshire Drug and Alcohol Action Team (DAAT), would provide a "great opportunity" to get addicts on to treatment programmes. Officers said after release addicts will be re-

ferred to a drugs worker who will provide them with a new needle pack.

Nigel Mills, treatment commissioning manager for DAAT, said: "Reducing the harm to the public is a priority for us here in Northamptonshire. This project will address the issue of safe needle disposal and needle-stick injuries to both the police and the general public. Drug workers interacting with individuals at this critical time can lead to a successful treatment and recovery."

The needle exchange will be run by drug workers already based in the county's custody suits.

Chief Superintendent Paul Fell, from Northamptonshire Police, said: "This is an initiative that I very much support. It provides a great opportunity for us to assist some of our key partners as an organisation."

"It is a well-rehearsed debate that drugs and alcohol abuse is a contributory factor in the commission of crime and we need to do all that we can to address the issue."

# Family to fundraise

THE family of an eight-year-old girl who has endured about 1,000 injections to ease her arthritis hope to raise £25,000 to help find a cure for the condition.

Shani Hall has juvenile idiopathic arthritis (JIA), in 49 different bones and both eye sockets, which means she has to have regular hospital treatment to prevent her needing a wheelchair and to keep her sight.

About 12,000 children in the UK have been diagnosed with the condition and her family, Michael and Gail Hall of Townsend Road, Walgrave, have set themselves a target of raising £25,000 towards Arthritis UK's Noddy Appeal to help find an early intervention cure for other children as well as pay for treatment for the con-

Michael Hall with a shirt signed by footballer John Terry and a picture of his daughter Shani

dition. They have so far raised £9,000 in one year and their latest fund-raising activity will be a charity auction at Moulton Working Men's Club from 8pm on Saturday.

Mr Hall, aged 42, a full-time carer for his daughter, said: "It's such hard work trying to get

donations from companies at the moment, but we've managed to get a few great prizes such as a Chelsea FC shirt signed by Ron Harris and John Terry. Hopefully we'll have few more by the auction night." To donate an auction item call 07833 135525.

# Reduce Energy Loss by 90%

You have probably heard that the amount of energy that we waste in our homes is directly linked to climate change. You will have definitely noticed the ever increasing cost of heating your home. But did you know that the type of glass that you use in your windows can help your home be more energy efficient? Using Pilkington EnergiKare you will

Simply using Pilkington EnergiKare as the glazing unit in your windows reduces the amount of energy lost through your windows by up to 90%. Homesure are one of the first Pilkington EnergiKare approved installers and now use this fantastic new glass across our range, ensuring Homesure customer now has the maximum benefit from new windows.

source: [www.pilkington.com](http://www.pilkington.com)

The pressure is on to improve the energy performance of windows and we are now reaching the stage where more double glazing will no longer be enough. The rough and ready method of comparing the energy performance of windows is to use the U value measurement, just as we do with walls, floors and roofs.

Traditional windows, with a single pane of glass in them, have a U-value in excess of 5. Double glazing used to score over 3, but, over the years, the manufacturing process has undergone a number of improvements and currently the Building Regulations insist that any window you install today should have a U-value no worse than 1.0.

Milton Keynes company Homesure are now a registered installer of the top energy efficient products by Pilkington. John said 'I always take the time to listen to what our customers want most from our products and it became clear that saving money, fuel and energy are definitely top of most people's list right now. With the new EnergiKare glass coupled with the fact we are a registered installer of glazed windows, fitted with Super Spacer warm edge technology insulated glass units in our windows and doors. We have made sure that the latest and most effective energy saving products are available to all our customers, leading the way yet again.'

Homesure Managing director John Connolly and sales manager Dave Connell proudly display their Pilkington EnergiKare Partner certificate. In another first for the

- Improve the energy efficiency of your home.
- Save money on your heating bills.
- Become more Environmentally Friendly.

Pilkington EnergiKare has been developed to prevent energy loss through their latest energy efficient glazing product. The energy efficient glazing not only returns heat back into the home, greatly reducing heat loss but it also maximises energy gain from a free energy source.

John Connolly, Managing Director says - "When I set up the business, I was determined to provide a warm and welcoming way of doing straight forward business with local people. We set out a few simple guidelines that would ensure that it is always a pleasure to do business with us. No dubious sales techniques! No false promises! and No underhand tactics! just straight forward great deals, a fantastic product for a fair price. I am proud to say, I believe that the 15 to 20 new customers that choose us every week from Milton Keynes and the surrounding areas, do so because they appreciate the effort, dedication and commitment that all my staff put into making sure everything goes well from initial quotation to installation. I would like to invite you to have a FREE NO OBLIGATION QUOTATION or to visit our QUOTE CLINIC. Bring your window sizes, styles and maybe a photo to us for on the spot advice, design and quotation. You can see for yourself our range of products and finishes and maybe take advantage of our current special offers including our SENIOR CITIZEN DISCOUNT. This makes it easier for you to avoid the minefield of wasted evenings and high pressure sales techniques and why so many people are saying "we are glad we chose Homesure."

**Be Warm In Winter and Cool In Summer**

**Pilkington energikare**

**Heating Cost Savings of up to £14,500 over 20 years with an Energy Rated Window**

These improvements have been brought about by the introduction of: wider cavities between the two glass panes, low-emissivity coatings being added to the glass to stop heat escaping. The cavity being filled with an inert gas, usually argon and designing out cold bridges, such as aluminium spacers. The question is, does this mean the next step is to move from double to triple glazing? Triple glazing is widely used in cold climate countries like Sweden and Norway.

# Bobbies on bikes delay

**PLANS to bring back police officers on push bikes to an area of Northampton have been delayed because the officers need health and safety training.**

Residents of Kingsley and Parklands had expected to see officers riding a fleet of mountain bikes in the area, but during a public meeting they were told their deployment would be delayed until the summer because the officers needed to take a training course before getting on the saddle.

The meeting was chaired by Northampton Borough Council member, Councillor Malcolm Mildren (*Ind, Parklands*), who described the situation as 'foolish'.

He said: "You would have thought riding a bike would be common sense. It's the kind of thing where you can either do it or you can't."

"I've not ridden a bike in years, but I'm pretty sure I

could get on one and not be a total disaster."

It is hoped that when the bikes are in use, they will be used by officers to access places which are inaccessible to squad cars.

Councillor Mildren said: "They've got these bikes to make it easier to get into places like Bradlugh Fields and it does seem foolish that they've apparently got all this equipment but they're not using it."

"I don't see why they

**Bicycles have already been used in some parts of Northamptonshire by the police, such as those pictured in Collingtree**

can't use a school for their training sessions, then they could help teach the children at the same time."

A spokesman for Northamptonshire Police said officers had to undergo a 10-hour training course before being allowed to use bicycles on duty.

She said: "The course covers issues relating to using a bike on patrol, including how to use the bike as defence if confronting an offender."

# Election result known on night

VOTERS in Northamptonshire will find out on the night of the General Election poll if they have a new MP, it has been confirmed.

The House of Commons has passed an amendment which, if made law, will mean the count of votes must begin by 2am on the Friday following a Thursday poll. It is predicted that the General Election will be called for May, possibly Thursday, May 6.

While the amendment is not yet electoral law, the acting returning officers for the constituencies of Northampton North and Northampton South, Daventry and Kettering, announced yesterday they would definitely count the votes on election night.

David Kennedy, the chief executive of Northampton Borough Council – who, as acting returning officer, will be the man responsible for the counts for Northampton North and Northampton South – said the town would follow the new amendment but beoamoned the tight deadline.

Mr Kennedy said: "The two Northampton seats are reported as being among the target marginals. "I expect we may see a larger-than-usual number of candidates, a high turnout, and extensive postal voting, each of which will complicate the count process."

# Firms bid for work

**DEVELOPERS** have been invited to bid for a £600,000 contract to build a new Sure Start centre at Upton Meadows Primary School.

The new centre will be built on land next to the school in the Prince Charles-approved village of Upton, Northampton and will provide a new home to an existing pre-school, which is currently housed in one of the school's classrooms.

By September 2010, the school is expected to reach full capacity and will require the classroom back, meaning the pre-school nursery would be homeless without the development.

The pre-school, which offers day care for children aged between two and five, is registered for 40 children but due to the lack of space can currently only accommodate 26 youngsters.

Once built, the children's centre will include a reception area, an office space, a kitchen and toilets, two multi-purpose

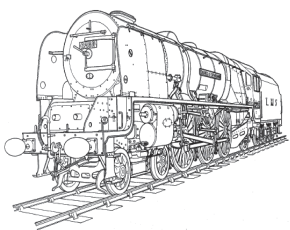

**Upton Meadows Primary School, where a £600,000 Sure Start centre will be built**

rooms and a buggy store. The separate play group will be made up of two large activity rooms and an outside play area as well as office space and a kitchen.

The two facilities will be separate, but will share a common reception area.

Potential bidders have until April 12 to submit their application. Building work is then earmarked to start on the site by August this year, with the new centre due for completion by the end of February 2011.

## A day out by Steam Train to the Border City

(train ref RS4)

Saturday 22<sup>nd</sup> May 2010

**Milton Keynes, Northampton, Rugby, Nuneaton, Lichfield Trent Valley & Crewe to Carlisle over Shap with Princess Coronation 6233 - DUCHESS OF SUTHERLAND**  
— The Royal Train steam locomotive —

For the discerning passenger, who enjoys a relaxing day out by train, with the nostalgia of being hauled by a world famous express passenger locomotive, in 1960's period saloon carriages through the Cumbrian fells on the West Coast Main Line, this tour comes highly recommended. Leaving Milton Keynes at 07.30 (ret.22.34), the train picks up at Northampton 07.50 (ret. 22.10), Rugby 08.15 (ret.21.45), Nuneaton 08.30 (ret.21.20), Lichfield Trent Valley 08.45 (ret. 21.00) and Crewe 10.15 (ret.19.30) where the famous steam locomotive DUCHESS OF SUTHERLAND is attached. The train then has some high speed running up the West Coast Main Line through the Cheshire countryside, the industrial towns of Warrington & Wigan and on into Lancashire where a water stop is made at Camforth. The work really begins for the locomotive then as the steep banks of Grayrigg and Shap are tackled, followed by a high speed descent for the final thirty miles into Carlisle. The return journey retraces the route with the express steam locomotive working as far as Crewe where she gives way to a diesel locomotive for the remainder of the journey.

# Victorian terrace is near town

A TWO-BEDROOM Victorian terrace house within walking distance of the town centre is available to rent for £550 per calendar month.

The deposit has recently been reduced to £650 for the house in Alexandra Road, Northampton, which features an entrance hall, lounge, fitted kitchen, cellar and conservatory with tiled floors leading to enclosed courtyard-style rear garden.

It has one double bedroom and one single bedroom and a family bathroom.

Also now on the rental market is a spacious three-bedroom split-level apartment in a Victorian conversion which has been renovated to an

extremely high standard.

Close to the town centre and local amenities, the apartment in Abington Avenue, Abington, features entrance hall, large lounge with feature fire-place and bay window, kitchen/dining room with appliances, bathroom suite with bath and separate shower cubicle and three good-sized double bedrooms.

The property also has gas central heating and double glazing.

Viewing is essential for the property, which is available for £650 per calendar month and has had the deposit reduced to £750.

For more information on either of these properties, call Hamiltons on 01604 810660 or email [info@hamiltonslettings.co.uk](mailto:info@hamiltonslettings.co.uk).

## In Memoriam

**BOLTON  
 Carl Bruce**

Good Friday 21st March 2008,  
 Aged 38 years.  
 A Son not forgotten.  
 Though his smile has gone forever and  
 his hand we cannot touch,  
 We still have so many memories  
 of the one we loved so much.  
 His memory is our keepsake with  
 which we will never part,  
 God has him in his safekeeping,  
 We have him in our hearts.  
 Sadly missed but never forgotten.  
 Forever loved by your Mum and Dad,  
 Sister Ann and Family.

Husband and Dad.  
 Good Friday 21st March 2008.  
 Aged 38 years.  
 You left us so suddenly,  
 your thoughts unknown.  
 You left us memories  
 we're proud to own.  
 Those who loved you can truly tell,  
 the heartache of parting, without farewell.  
 Forever loved by your Wife Geraldine,  
 Daughter Louise and  
 Sons Robert and Partner Mel, Mathew, Jordan,  
 Daniel and Granddaughter Cheynelle.  
 Sadly missed but never forgotten.

## The Transporter has evolved.

And it's just **£239 a month** plus VAT and initial rental.\*

### Who needs theories on evolution when you can have facts?

- A more efficient TDI engine means it now does 788 miles on one tank\*\*
- Improved torque gives you a great level of performance when carrying heavy loads
- Lower running costs make it even better value for your business\*\*

## Marketing and External Relations

### Marketing Officer

£24,273 - £29,853 pa

The Marketing Officer role is all about working with academic schools, our fundraising and consulting teams. The role is about taking responsibility for a specific group of relationships; for adopting innovative tools and measuring their effectiveness.

This involves building a brand, addressing the commercial world, maintaining our undergraduate business but also developing postgraduate study and better communications to build skills regionally and internationally.

You will need experience in Marketing with skills to work across the university – sometimes out of hours – you will need to think beyond student recruitment and to think about what the university is all about and how it can best address the challenges facing Higher Education. **Quote Ref: CW09089**

**Closing date: 8 April 2010.**

**Interview date: w/c 19 April 2010.**

## Departmental Administrator & PA to the Director of Marketing and External Relations

£19,743 - £23,566 pa

Marketing & External Relations is a central corporate service department within the University. Our team of 25 staff provide services to the academic schools and other departments of the University covering branding, marketing, student recruitment, public relations, corporate events, schools and college liaison activity, alumni relations, and fundraising.

The service is led by one director, five managers, and this role is a combination of PA to the Director, a support service to the other managers, and an administrative support around finance, purchasing, budgeting, staff records keeping, and event or project support for the wider team, including working at some University events outside normal working hours or at weekends.

You will have excellent written and verbal communication skills with well developed interpersonal skills to work with a broad range of contacts, audiences and stakeholders. You will be required to work to deadlines with high attention to detail. To support the Director and the managers you will have to create, review, edit and publish documents. Professional efficient PA service skills and experience are essential along with user-level knowledge of MS Windows packages. **Quote Ref: CW09090**

CHAMPAGNE STARS - Saints celebrate their LV= Cup Final success in traditional style at Worcester last weekend

PICTURE: LINDA DAWSON

## Clarke targets treble

**ENGLAND Saxon Jon Clarke says he will be 'fit and firing' as Saints look to complete a historic treble.**

Saints clinched the first part of the treble by winning the LV= Cup final in a thrilling and bruising contest with Gloucester at Sixways on Sunday.

Director of rugby Jim Mallinder will need all his players fit and at the top of

their game if Saints are to add the Heineken Cup and the Guinness Premiership to the trophy cabinet.

Clarke came off in the second half of the 30-24 win on Sunday gingerly holding his left arm and it was feared the 26-year-old had broken something.

But Clarke brushed off the injury and declared himself available for this Saturday's clash with Wasps.

Clarke said: "It's just a

knock to the elbow but it should be okay so I should be okay for next week. I'll be fit and firing for Wasps."

And Clarke believes winning the LV= Cup can be the springboard for a hectic finish to the season, starting with Wasps at Franklin's Gardens on Saturday (ko 5.30pm).

"Winning the cup is massive for the club," said Clarke. "Just a couple of years ago we were in divi-

sion one and now we won a trophy last year and this is our first this year and we've got another two to go for."

"It could be a good start, but the hard work starts at the weekend when we've got Wasps and they're no mugs, so it's a massive game."

There is bad news on the injury front with Mallinder confirming Ignacio Fernandez Lobbe was ruled out of Sunday's cup final with a hamstring problem picked

up in training last week.

And centre Chris Mayor was missing after having an operation on a finger. Scotland international Scott Gray was also walking around with his left arm in a sling. Christian Day is also out with a neck injury.

Good news for Mallinder is that he will welcome back internationals Ben Foden, Chris Ashton, Dylan Hartley and Euan Murray for the visit of Wasps

## Crosby will sign deal - Cardoza

COBBLERS chairman David Cardoza has reassured supporters of the club that Malcolm Crosby will put pen to paper on a three-year contract at Sixfields.

Town have offered the former Middlesbrough coach the same length deal as the one signed by first-team boss Ian Sampson a fortnight ago.

The paperwork would see the duo - who have led the team to a run of just two defeats in their past 18 games - stay at the club until 2013. It is an opportunity for both to carve out a footballing dynasty at Northampton, and if the recent results are anything to go by, it could be one built on success.

Sampson has been consistent in his view that having Crosby on board is vital to the team; his experience has been invaluable to the manager in his rookie season in charge of playing matters.

Cardoza has confirmed that Crosby, who has sold his property in the north east and moved his family to Oxford since joining the Sixfields staff, is happy with the contract and says the delay is nothing to do with money.

"We're very confident he will sign," said the chairman. "I don't see why he won't, to be honest with you. I think at the moment he's just concentrating on his job and focusing on the job of getting us promoted out of this division."

"He'll be with us for the next three years, I'm sure of that. It's certainly not a money issue. Malcolm is very happy with the contract we have offered him."

The Cobblers, who were 2-0 winners over Morecambe last weekend, will be aiming to claim their sixth straight league win at Lincoln City on Saturday (ko 3pm).
